Manitoba Metis Federation Election 2022

Welcome to the new MMF Voter Verification page. With the MMF election approaching the MMF's Central Registry office has been working with the Chief Electoral Office to create a simpler way for citizens to verify their names on the MMF voter's list. We have developed this online verification form that offers a fast way for you to:

- verify your ability to vote in this year's election
- confirm you are in the correct Local for voting, and
- when we have our polling stations confirmed, you can return to this page for the list of locations of the polling stations where you can cast your vote.

We encourage all Red River Metis to utilize the lookup form. For any questions, or if you are on the wrong voters list please contact us using the form provided and we will promptly get back to you.

If you want to apply for citizenship, you can apply online here: [MMF Citizenship Application Form](#)

If you live outside Manitoba or in a remote area the polling location will be shown. BUT YOU MAY BE ELIGIBLE FOR A MAIL-IN BALLOT. If you want to apply for a mail-in ballot, contact the office of the Chief Electoral Officer at dgray@mmf.mb.ca or 204-614-0225

The use of the form is for personal use only. The attempted lookup of other individuals personal data is not authorized and is considered an invasion of privacy.

- The Central Registry Office has diligently worked on an online harvester tag and licensing system that will give harvesters the convenience of ordering their CTF and big game tag requests online.

- We are excited to announce the online system deployed in June 2022, and can be found on the MMF website or at <https://cro.mmf.mb.ca/harvester-survey>

Welcome MMF Harvesters to the 2022/23 Online Harvester survey. This year we are offering the opportunity to order your Conservation Trust Fund (CTF) sticker and big game tags online. After you complete your harvester survey, you will be prompted to select which big game tags you would like to acquire.

With ordering your CTF/Tags online, you will also be able to print a temporary CTF form which will allow you to start harvesting right away. Your temporary CTF will be valid 30 days from the time of purchase, and your Regional Office will prepare your order and mail them to you.

2021/22 Online Harvester Survey and CTF/Tag Ordering: <https://cro.mmf.mb.ca/harvester-survey>

The Manitoba Métis Federation (MMF) Central Registry Office (CRO) is proud to announce the launch of a new, highly secure online Conservation Trust Fund (CTF) sticker and Big Game Tag online ordering system. This new system is now available online for Harvesters to use as of June 1, 2022. The MMF recognizes the importance of allowing Métis Harvesters quick access to renew their annual CTF and exercise their Métis harvesting rights.

One of the exciting new features being introduced this year is giving Métis Harvesters the opportunity to receive a temporary CTF form. You can now print a temporary CTF to immediately utilize for harvesting purposes after purchase. You will receive your permanent CTF sticker, along with any requested big game tags, in the mail or for pick-up at your Regional Office at a later date.
