Riley Gagnon

- Business Administration Program

“The Manitoba Metis Federation (MMF) helped me obtain a Diploma in Business Administration by allowing me to put my education first and help alleviate the barriers that could limit my potential.”

Brienne Catellier

- Red River College

“I am grateful for the Manitoba Metis Federation (MMF) because I would never have been able to attend Red River Polytech without them. My training counsellor did an amazing job making sure everything was done right and efficiently.”

Victoria Lalonde

- Bachelor of Nursing Degree

“The Manitoba Metis Federation (MMF) helped me pursue my Bachelor of Nursing Degree by allowing me to put my academic and future success first. Without the support from the MMF, I wouldn’t have been able to dedicate 100% to my studies, without worrying about all the financial burdens that come along with pursuing post-secondary school and achieving high grades.”

Curtis Rebeck

- Bachelor of Commerce Degree

“The Manitoba Metis Federation helped me obtain a Bachelor of Commerce Degree from the I.H. Asper School of Business. They helped by allowing for my education to be put first, which helped alleviate any barriers that could have restricted my full potential.”

HEO Program Graduates

- Heavy Equipment Operator (HEO) Training Program

“I am so proud of the graduates of the HEO training program. Not only are they skilled operators, but they also have a strong work ethic, punctuality, and a commitment to maintenance and safety. They are well-equipped for success in the industry.”
